READY IN A FEW DAYS.

ANTONEY WAYMOUTH;
THE GENTLEMAN ADVENTURERS
A New Story.
By WILLIAM H. G. KINGTON. "The Cruise
of the Frigidaire." &c. &c.

These are the exciting adventures of two young men who sailed from the shores of England to seek their fortunes at a time when it was thought no wrong to rob the Spaniards. After much hard fighting, battles, and fortresses, they made many vessels and secured a large amount of treasure; they were captured and confined in a habitation by savages, from whence they escaped to a savage fight with the Indians. They were rescued by a party of Indians, and finally returned to their houses with a large amount of the treasure which had been saved to them.

J. E. TILTON & Co.,
Publishers, Boston.
